2017 Breakfast at Norma's

*Call me late for supper, but don't call me
late for Breakfast at Norma's!!!*

We started our morning off with two eggs over easy, sausage links, pancakes, and great tasting coffee then started our very first tour of the 2017 CdeO season. It was a slow and easy ride that took us from Nisqually to Johnson Point, then to the final destination of Boston Harbor. Fun was had by all, it wasn't a Blue Steuth but it was worth a million dollars.

The excitement for this meeting is club election for this year. All positions are open and the following members have been nominated for the following positions. So Please be ready to cast your vote to continue shaping our club for loads of fun throughout the year.

Where we've been:

Holiday Party – Check out the great write-up in the Newsletter, including the fabulous Dr. Seuss article -- and pictures!!

The holiday party was so much fun – we played games, hung out, and had a great meal. The Bel Canto children's choir was a hit, and Carla and Carolyn gave each kid a sweet gift of corvettes and cookies!

It took a team to make the party! A special thanks to:

- Bob and Ralph A. for bringing their cars for kid pictures,
- Betsy for finding the Bell Canto choir,
- Sherry C. for working behind the scenes to make sure we had a great menu, even without a chef,
- The Historian committee that put together the great pictures, and
- Carla for the music and dancing!

General Membership Meeting cont.

Member of The Year voting – Carla was awarded the Chuck Byre Member of the Year award – congratulations Carla!!

What's Coming:

- **Jacket Breakfast end of this Month:** January 29th it is! Will be at Norma's and it will be fun! ☺
- **High Performance Swap Meet:** Friday and Saturday Feb 10th & 11th. This event has been held at the Puyallup Fairgrounds since 1974!
 - Great event to see amazing cars, check out pin strippers, and get that hard to find part. There will even be a slot car race track.
 - There is space provided for clubs that want to have a booth. It's a great place to rub shoulders with other clubs, and meet new members. If you'd like to help with a club booth, let Arthur know!
- **Tacoma Corvette Club Open House** - Saturday, February 18, 2017. The Tacoma club puts on an event for neighboring clubs to come together and talk about what's coming in the year. Great place to hand out Vette fest flyers. They always offer fabulous BBQ food, and about 200 people show up. An awesome party!
- **Autocross** events start in May, 8:30am start. There are about 5 runs in the morning, and 5 in the afternoon. The day typically ends by 3pm.

Special Topic: It's Event and Activities Survey Time!

About 3-4 years ago, we did a survey to find what you'd like to do. It's time to do it again. Josette handed out surveys, and will be offering the survey via email to those that missed the meeting (or want to provide more feedback!)

- If you'd like a tour, let us know!! And we'd love your help
- Derek and Bob S. have stepped up to help with planning tours – and would love your help.

New Business: Club Position Nominations

We kicked off nominations for positions. Positions will be voted in during February's meeting. There are many open positions, and we have two candidates for a position – a very rare occurrence! ☺

Here are the nominations so far:

- **President** -- Arthur was nominated, and accepted.
- **Vice-President** – Billy and Shoshanah were nominated, and both accepted.
- **Secretary** – many were nominated, but none accepted.
- **Treasurer** – Mandy offered to do this position. (Maggie discovered that in her work as a financial advisor, she cannot hold a position managing funds, so she must step down. She will happily train. ☺)

Raffle

Many great prizes this month from Lee, Tom Oenning, Derek and Mandy.

P.S. Derek and Mandy will continue to bring CdeO embroidered gear to make money for the club. If you want something, let them know. Thanks to Derek and Mandy!

Here are the winners:

- Armor All Car Care Kit - Derek
- Griots Car Care Kit – Paul
- Leatherman -- Bob picked it up
- CdeO t-shirt – Jim R. and Bob S.
- CdeO mugs - Billy and Josette
- Dual Car Charger – Paul

It is clear to me that CdeO is different from the average club because we find a way to have fun at everything we do, including serving as officers and committee members.

In preparation for this year's elections, here's a brief summary of the officers and their roles.

2017 NWACC Rules Change Submitted by: George Schwartz, NWACC Autocross Committee Chair

There are three (3) separate rules change proposals below. Clubs will need to vote separately on each proposal and bring the vote results to the February 11, 2017 NWACC Meeting.

#1

The proposed addition below will add a provision to the Speed Event Policies and Procedures Section A, Rule 14 that would require that a Approval form be completed at every NWACC-hosted or sanctioned autocross event. This form will be available at each event and must be signed by the NWACC club representatives present or by a NWACC club member who has entered the event.

Existing rule:

Section A – General Requirements

14 In the interest of safety, all courses should be designed to be as safe as possible. At any event, should a majority of drivers feel that a course is not safe, they should bring it to the attention of the Event Chairperson no later than the Driver's Meeting. It is the responsibility of the Event Chairperson to alter the course in such a manner as to provide a safe event.

Proposed addition (new paragraph):

The NWACC Course Approval Form must be completed prior to the start of the event runs. This form shall be made available by the Event Chair or his/her designee at the morning Driver's Meeting for signature approvals. The completed form shall be retained with all other event-specific documents.

#2

The proposed rule change below would change Section A, Rule 15 of the Speed Event Policies and Procedures. The current rule allows for 3 drivers per car but this would require that a dual-driver lane must be established at an event. At the Shelton event site currently used, there is limited space for Grid lanes and a dedicated dual- driver lane will put more cars into the remaining lanes and cause some congestion. Over the past few seasons, there has only been one 3-driver car entered. This change will also require dual drivers to be split into separate run groups.

Existing Rule 15:

There will be a maximum of three drivers per car. New rule 15:

There shall be a maximum of two drivers per car. Dual drivers are required to drive in separate run groups.

#3

The proposed new rule below will add a provision to the Speed Event Policies and Procedures Section A, that would prohibit a person from paying a second entry fee for the purpose of getting additional runs in either the same car or another car. Allowing a second entry would effectively keep that person from performing a task as required by the "work to run" provision.

New rule 29:

No person who has paid an entry fee at an event shall be allowed to pay a second entry fee where that entry would effectively allow additional runs using the same vehicle or a second vehicle. All entrants must be available to work and a second entry by a single person would keep them from this requirement. An entrant may pay the entry fee for a second driver using the same car.

The club still needs a Secretary to be voted on. The current Secretary got a big promotion for holding us together for so long.

Please refer to page 5 to come up with a name in your head to fit the roles and responsibilities listed.
